

TERM 3 - 09/2026

OLPH NEWSLETTER

Dear Parents, Guardians, Learners, and Staff,

Welcome back to the final term of 2026! I trust you all had a restful and refreshing holiday. As we begin Term 3, we are reminded of our school motto: Learn Good and Do Good and our core values of Prayer, Integrity and Unhu/Ubuntu. These should always guide our day-to-day operations both at school and at home.

This term is both short and very important — with final exams, sports, educational tours, prize giving, and preparations for 2027. Let us work together to finish the year strong, with God's guidance and Our Lady's intercession.

ACADEMIC FOCUS THIS TERM

This is an exam and consolidation term.

Primary School: Grade 7s will sit for Primary Checkpoint exams in October. Support from home and dedicated teaching from school will help us maintain the 2025 record 100% pass rate. The rest of the school focuses on syllabus completion, revisions and end of year exams

High School: Forms 1 and 2 will have a syllabus round up for their level in all learning areas, final revision, mocks and exams. We urge all parents to support learners with study time at home and ensure 100% school attendance.

FEES & ADMINISTRATION

School fees for Term 3 were due on the opening day. Please settle outstanding balances to avoid disruption to your child's learning.

Fee payment options: Bursar's office (Before 1300hrs Monday to Friday), Bank Transfer, Bank Deposit.

Gate passes will be issued to paid up learners for use beginning Monday 21 September 2026.

CHILD SAFEGUARDING

The safety and wellbeing of every child remain our top priority.

The Safeguarding Office will be conducting awareness sessions with learners this term on personal safety, online safety, and reporting channels. Safe school online sessions with parents will be organised during the term. Parents watch out for links to the planned online sessions.

Parents are reminded to:

1. Ensure learners travel to and from school safely.
2. Report any concerns to the Safeguarding Officer via the school office immediately.
3. Attend the parent safeguarding workshop online.

"Protecting our children is everyone's responsibility."

RECOLLECTION

To begin the term in prayer and reflection, Primary School learners (grades 3-7) and High School learners had Recollection on Friday 11 September 2026 at school.

Infants (Toddlers – Grade 2) had their Recollection at Mooland in Harare.

SPORTS

Training sessions in swimming and cricket resumes next week.

Reminder: All students must come in correct sports gear. For swimming, learners must have the correct school swimsuit, swimming cap, and towel. No training will be allowed without proper kit.

PARENTAL INVOLVEMENT

We invite parents to:

1. Volunteer for the Prize Giving preparations committee. Please see or get in touch with the Acting Deputy Head.
2. Ensure learners have full and correct uniform as per the school policy. Hair and nails should be checked regularly.
3. Ensure learners take care of their belongings and most importantly ensure that learners don't bring at home other learners belongings. Stealing is highly discouraged at Our Lady of Perpetual Help. Parents help us in this regard!

HEALTH & SAFETY REMINDER

With the hot weather, learners must bring water bottles and wear hats during outdoor activities. Please inform the school of any medical updates

about the child.

PRAYER POINT

Our Lady of Perpetual Help, pray for us and guide our learners throughout this term. Amen.
